Subject: Request for Transfer Application between Wasatch Mountain Excavating Inc. and Elite Rock and Complete, Signed and Notarized Reclamation Contract, Elite Rock West, (S/049/050), Utah County, Utah

Dear Mr. Bryson:

On February 13, 2006, Frank Aiello met with representatives at the Division to obtain information to complete the mine transfer application and reclamation contract. As of today, this office has not received these completed forms. In order to obtain Division approval of the reclamation surety in the amount of \$10,000, the completed reclamation contract and transfer form(s) are required.

Please submit the original, complete, signed Reclamation Contract and mine transfer application *within fifteen (15) days from the date of this letter*. Failure to respond may require immediate reclamation of the mine site, as the mining law requires all mine sites be correctly and adequately bonded.

If you have any questions or require discussion regarding the content of this letter, please contact Beth Ericksen (801) 538-5318.

Sincerely,

Susan M. White
Mining Program Coordinator
Minerals Regulatory Program
